## PRICES REDUCED ON LIVIE'S PRO BOOKKEEPING SYSTEM

Willoughby, O.—Wm. Livie, 321 E. 320th street, veteran professional who devised a simple and practical bookkeeping system for pro shops, is making special offer on these systems to get pros to adopt them in time to benefit from them all during the season.

Last year Livie sold a number of his systems to pros and was told by users that some inducement should be given the fellows so they would start the year's business with the close and convenient control over pro department operations made possible by the Livie method.

## HORNER HAS PNEUMATIC-TIRED BARROW WHEEL

Geneva, O.—R. S. Horner has a new single tube tired steel disc wheel for wheelbarrows; a new idea that makes it possible for loads to be wheeled across turf without damage. Loads up to 450 lbs. can be handled on these tires. Pressure of the tires is a 35-lb. limit.

The wheel handles heavy load with minimum of effort and rolls freely over rough or uneven surfaces.

Complete details, including prices, will be furnished on request.
