

ARRROWS in illustration point to BUDD'S 4 cutting edges. Simply switch blade for new edge.

SIMPLE TEST SURPRISES GREENKEEPERS

Clubs testing the Budd on one unit, and comparing mowing costs with units not Budd-equipped are amazed. When you see Budd pay for itself—and pile up savings right there under your nose, you'll wish you'd switched to BUDDS sooner. Wire or write for prices and details.

BUDD MFG. CO., DEPT. G, RAVENNA, O.

BUDD

• BED • BLADES

"Ball winding machines, on each of which eight centers are wound simultaneously, produce balls wound with hair-like precision and of great tension.

"Vulcanizing of cover stock, painting, marking, stamping and finally packaging, are carried out under modern methods.

"With the golfing season off to a flying start, double shifts have been necessary to try to keep up with the orders on hand for the various golf balls marketed under the Hagen name."

A. N. Peckham, Kingston, R.I., for 16 years engaged in sale of bent grass seeds, reports lively bent grass business this

spring. The Peckham bent, grown under the rigid climatic conditions of New England; is of necessity, winter hardy, and makes a fine bladed turf for greens and lawns.

Dunlop Opens Texas Show.—Craig Wood and Henry Picard of the Dunlop field staff exhibited their stuff at Dallas CC in opening the golf events at the Texas Centennial exposition. Wood and Reynolds Smith, Dallas amateur, started the party with a 31-33-64 best ball; a stroke behind was Picard and David (Spec) Goldman.

PERSONAL TO PROS

"The North & Pfeiffer Mfg. Co. of Hartford, Conn., make splendid "Grip-Rite" removable Shu-Spikes which I have used for more than 20 years, having sold many thousands to my club members. "Grip-Rites" are easily inserted or removed and are the most economical spike on the market. They wear longer and PREVENT SLIPPING, IMPROVE STANCE and help GOLFERS CUT STROKES. TRY THEM and you'll agree it's wisdom, profit and pleasure to use and recommend "Grip-Rites." Also they are giving away \$100 in cash prizes for best letters." Fellow Golf Pro.

WHAT'S IN YOUR SOIL?

"A complete inexpensive qualitative chemical and bacteria soil analysis service."
