

tion, the operator can mow without fatigue. Literature, which also describes Lawn-Boy's grass catcher, can be obtained by writing Evinrude Lawn-Boy, Milwaukee, Wisconsin.

Herman Hackbarth, veteran pro at The Country Club of Little Rock, Ark., has compounded a new grip wax that many professionals and low-handicap amateurs

declare answers their problems of grip slippage.

The Hackbarth compound supplies adhesiveness in any kind of weather and permits lighter gripping with firm control. It does not soil or injure the hands. It has leather preservative qualities. Price is moderate and the pro discount is good. Hackbarth will supply further details on request.
