Root All Purpose Spreader

Top - Dressing, Fertilizing, Seeding

The All Purpose Spreader was designed to do these jobs with more accuracy than any other method.

A perfect companion to the New Root Power Screener.

THE ROOT MANUFACTURING CO.
1011-1051 Power Ave., Cleveland, Ohio

attended by greenkeepers and green-chairman. Several golf professionals who are doing greens work or are interested in it, attended these meetings.

"We had a great meeting with Donald Ross on August 25. Ross not only gave an excellent talk but illustrated his talk with

sketches on the modern trend in golf course design.

"The greenkeepers of our district hold meetings once a month during the summer. They discuss scald and bugs at one meeting, perhaps clover and weeds at another but always something constructive.

Hershey (Pa.), where Henry Picard holds forth as pro, some of the nickels of the kids and grown-ups that have gone for chocolate bars are re-invested in grand golf courses. This is part of a nine-hole, 2,314 yd. course Hershey has for juveniles—the only one of its kind in the world. It is for boys and girls from 7 to 18 years of age.
