The machine sells for \$175 cash or \$200 on terms. It is electrically lighted inside, and through the plate glass front presents an attractive view of the small mechanical players, and the slots of various sizes into which the balls are to be hit. The strength and direction employed in actuating the club determine the player's success. The cabinet is approximately 3 ft. x 2 ft. x 1½ ft.

Morris will gladly supply any other information desired about the machine.

Robert T. Jones, Jr., Atlanta, Ga., was elected a Vice-President of A. G. Spalding & Bros. at a meeting of the Board of Directors held in New York, Tuesday, April 12.

drive fairway mower, putting green mower, and the Jacobsen Sturdex, the power mower for the 'in between places.' All models are pictured and construction features explained. Copies will be sent upon request.

J. A. Topping Sales Service Co., Bronxville, N. Y., has a Sling-Grip practice and instruction device that has received approval from many pros. The device functions in an ingenious and simple manner to get the player to cock his wrists at the top of the backswing and to pull down with his left arm.

The Sling-Grip sells for \$1 and has a good margin for pros.
