uation was reported as spotty; some clubs being in surprisingly good shape, and others being in need of members.

More personal attention to the caddie problem was recommended.

Golf equipment situation would not prevent a normal amount of play, according to the opinion at that time of L. B. Icely, Wilson Sporting Goods Co. president, who was among those talking at the meeting. Icely commented that the ingenuity of the equipment manufacturers was straining to meet requirements of physical conditioning for wartime and expressed confidence that golf's service to war workers would prove valuable in maintaining production efficiency and a high morale on the civilian front.

## Organize Industrial Golf Leagues For Chicago Area

INDUSTRIAL Golf Leagues of America have been organized by Lew Waldron, well-known pro golfer. Headquarters of the organization are at 72 W. Washington St., Chicago; Tel. Randolph 7868. Leagues will play on fee courses in the Chicago area, where the plan is catching on rapidly with golfers in offices and factories of many organizations. It is expected that the plan will expand to a national basis this summer.

Newspaper promotion tie-ups are a feature of the plan.

Teams consist of four players with two alternates. There is one league for men and another for women. There are three classes of teams in both leagues. Men are handicapped in 15 or less, 16-22, and 23-30 handicaps, and women in classes of those shooting 105 or less, 106-120 and 121 and up.
