

forth can not be used for the manufacture of repair and replacement parts. Completely fabricated parts in manufacturer's stocks as of today are exempt from the order and can be used for their intended purpose.

The WPB cut off production of golf balls April 1, while the second stopped production of new golf clubs completely June 30.

PGA to Hold Annual Meet at Chicago, Nov. 9-11

ANNUAL meeting of the PGA is to be held at Medinah Club, Chicago, Nov. 9-10-11. Delegates from PGA sections and the association's executive committee will discuss wartime plans for pros and clubs.

Although complete PGA rules and by-laws edited by the association's legal advisers will be submitted for delegate's consideration, it is planned to keep at a minimum debates on association technicalities which in previous annual meetings have taken the greater part of the delegates' time.

This time it's hoped to focus attention on how pros can keep their jobs and help fit golf properly into the nation's wartime plan. Objection was offered to holding the annual meeting of sectional delegates and proposal was made to limit the session to an executive committee affair. Successful opposition to curtailing the usual scope of attendance developed.

"Keep Well" Ad Campaign Endorses Sports

THE Institute of Life Insurance is conducting an advertising campaign in many metropolitan newspapers with each ad being headed "Just by keeping well YOU can help win this war."

"Play some each day" is one of the 5 health rules advocated by the Life Insurance group in its advertising. The other points are "eat right," "get your rest," "see your doctor once a year," and "keep clean." Under the "play" head, the Institute advertising says, "Romp with the family, visit with friends, take walks, play games—do whatever you like to give your mind and body a rest from the daily grind on the job. 'All work and no play makes Jack a dull boy.'"

The campaign reminds that by the end of this year nearly one-third of Ameri-

Philadelphia, Pa.

**Time — Money — Effort
—SAVE ON ALL THREE!**

Reduce your sales effort—but increase your sales. Sounds strange you say? But not if you're located in the Lytton Building—the golf trade buying headquarters of the world. You'll then 'cash in' on the drawing power of the golf companies, golf publishers, and the golf associations located in this building.

Your Chicago Office Should Be Here!

More pros, by a wide margin, pass through the entrance of the Lytton Building than at any other address. YOU should take advantage of the consequent greater business that 'being in' the Lytton Building gives you. Rents are reasonable, suites are conveniently arranged, and there's not a better maintained building anywhere.

ca's physicians, dentists and nurses will be in the armed forces. Golf as a health developer and preserver takes on a new value under the wartime condition of doctor shortage and increased production requirements.

**May Announces Purse Hike to
\$25,000 for '43 Events**

TAM O'Shanter Open and Amateur tournaments under new names will offer still richer prizes in 1943, according to plans of George S. May, president of Chicago's Tam O'Shanter CC.

The 1943 event is scheduled for July 19 through July 25, and the total prize money will be raised to an even \$25,000. The All-American Open will offer a record prize of \$20,000 with \$5,000 going to the first place winner alone. The All-American Amateur event, to be staged simultaneously with the Open, will carry a prize list of \$5,000 in war bonds, with the winner getting \$1,000 and the balance going to the runners-up in graduated amounts.

Profits from the 1943 tournaments will again be donated to Army Emergency Relief. May personally guarantees a minimum of \$20,000 regardless of receipts.

Club Gets in Scrap—Amarillo (Tex.) CC during the past 3 months has turned in over 1,000 lbs. of scrap steel, 500 lbs. of scrap rubber, nearly \$200 in cash to the local U. S. O. and purchased over \$500 in War Bonds for tournament prizes.

George Aulbach is managing director of the club, which has a \$75,000 clubhouse, \$50,000 watering system, heated swimming pool, tennis courts and 18-hole championship layout with bent greens and blue grass fairways. It was nearly 10 years ahead of all other clubs in Texas in the development of greens.

Bag Carriers Offset Caddie Cut

FROM one end of the country to the other, caddies have disappeared into defense plants this season, or gone into jobs left vacant by defense workers. In many sections, farmers have further depleted the caddie supply, grabbing the boys as their source of labor.

The average golfer, used to a caddie when he plays, has found it necessary in recent months to carry his own bag. Many
