golf course, and yet, if properly handled, not affect the interesting challenge of the game.

In his opinion the greenkeepers have done a remarkable job in maintaining courses for the past four years with limited help, inefficient help, and lack of materials and equipment. The clubs will greatly profit from this thrifty experience the greenkeepers have gone through.

CLUB HAILS STRINGHAMS—Minnehaha CC, Sioux Falls, S. D., observed 50th wedding anniversary of Mr. and Mrs. Charles J. Stringham with a gala party attended by more than 150 members. Charley has been with the club more than 30 years as supt. He is widely known among greenkeepers, pros and amateurs as a very able man at his business, a great hunter, and an all-around grand guy. Ma Stringham is a super-star in her own right, so the club had plenty of license in rejoicing at having the two teammates. Mayor C. M. Whitfield presided at the festivities which were highlighted by the talk of the green chairman who hired Charley, and by presentation of a bond, a testimonial scroll, a purse and a case of shotgun shell, the latter representing a noble gesture by Sioux Falls nimrods. A 50th anniversary cake taller than a silo, so pro Ed Livingston says, was sliced along with the oratorical baloney ribbing Charley.

August, 1945

KILLS

JAPANESE BEETLES

**SAWCO JAPY MILKY
DISEASE SPORE DUST**

Manufactured for us by J. J. Parker under Pat. No. 2,258,319, issued by The Dept. of Agriculture. A biological product fatal to Japanese beetle grubs.
