

JAPIDEMIC MILKY DISEASE SPORE DUST

**Kills the Grub
of Japanese Beetles
in the soil!**

CONSIDER

THESE POINTS —

- 1 **Offers permanent control.** One treatment being normally all your turf will ever require. Consider the future savings in money and labor.
- 2 **Easy to apply**—little labor involved.
- 3 **Nature's own method**—milky disease spreads rapidly in the soil. (It is harmless to humans, animals and plants.)
- 4 One pound of JAPIDEMIC treats 4,000 sq. ft. 10 to 11 lbs. treats one acre. It is most inexpensive when you consider it is a permanent control.

\$5⁰⁰ per lb. prepaid
FOR IMMEDIATE SHIPMENT

JAPIDEMIC is produced in accordance with the method covered by U. S. Letters Patent No. 2,258,319, and under license granted by the Secretary of Agriculture.

ORDER YOUR SUPPLY NOW

Delay benefits no one—it may seriously inconvenience you. Let us quote prices on your requirements today.

PETER HENDERSON & CO.
35 CORTLANDT ST., NEW YORK 7, N. Y.

clubs and golfers generally have accepted the situation with patriotic spirit.

We have received letters from some of our amateur golfers who are now in the Armed Forces, indicating they continue to hold keen interest in the sport. These letters have confirmed our judgment that an amateur championship in these days, with so many men in the service, would not be a real championship.

The USGA will continue to function on a wartime basis. Our Executive Secretary, Joseph C. Dey, Jr., a Lieut. in the Navy, is now attached at the Naval Airport in Dallas, but our present staff, with Mrs. Josephine W. Korber acting as Executive Secretary, is doing a good job.

Of the Executive Committee, Lieut. C. Pardee Erdman is serving in the Navy as Chaplain, and Lieut. Totton P. Heffelfinger is also serving in the Navy.

We are glad to note that the PGA has assisted in the promotion of Bond sales, although the professional ranks have been depleted by the requirements of the war.

We are looking forward to peace times when we can hold our usual championships, and we believe a new enthusiasm will be created, all of which should increase the interest now sidelined by this terrible war.

S/Sgt. Tom Suedhoff Dies Of Battle Wounds

★ S/SGT. THOMAS L. SUEDHOFF, 23, son of Carl J. Suedhoff, sec.-mgr., Fort Wayne (Ind.) CC, is dead of wounds received in France. He had received the Silver Star for gallantry in action, the Bronze Star, and had received the Purple Heart for previous wounds in battle. He was a graduate of the University of Pennsylvania and the Wharton School of Finance. He also had attended Culver Military academy. After receiving basic training at Camp Wolters, Tex., he went overseas without a furlough, as an infantry private. He was in all major battles in Italy and took part in the invasion of France.

Another son of Mr. and Mrs. Suedhoff is Pvt. Carl J. Suedhoff, jr., a machine gunner in an armored infantry division in France.

★ MUNDAY WOUNDED IN ACTION.—Rod Munday, formerly a star of the pro golf tournament circuit, was wounded in action in Germany and now is recovering in an Army hospital overseas. Despite the battering he got in combat, Rod writes in a vein of satisfaction, "I did some good before I was hit."
