William Malone, President of Federal Labor Union No. 18518, A. F. of L. expressed the gratitude of the Spalding workers in acknowledging the pin presentation.

More than 2500 Spalding employes and friends were present to witness the award, which brings the number of "E" pennants flying over Spalding plants to a total of three.

Chicago Sets \$100,000 Par For Caddie Scholarships

★ The Western Golf Assn. nation-wide campaign for funds to expand its caddie scholarship program was launched Dec. 1 at a meeting of team captains and workers in the Lake Shore club, Chicago.

Under the general chairmanship of T. C. Butz, the drive has been started in the Chicago area. Western GA has sponsored the operation for the last 15 years, during which time 55 boys have been selected as "Evans Scholars" and contributions in the present campaign which it is hoped will total \$100,000 will be used to make similar opportunities available to a larger number.

L. G. Kranz, Director of Physical Education at Northwestern University, who has been counselor for the Evans Scholars there, reported that of the group 41 are now commissioned officers in the armed services or in officers' training.

Two of the boys, Lieut. Frank Cankar, U. S. Navy, and William Bigley, who recently received a medical discharge as a lieutenant in the Army, spoke for themselves and the other members of the group.

Other speakers included M. G. Fessenden, Chairman of the Individual Gifts division of the campaign; Jerome P. Bowes, Jr., Sponsors chairman, who reported a total of \$15,000 already in hand; William T. Woodson, Western GA President, and Carleton Blunt, general counsel. Mark Brown was toastmaster.

Prior to the dinner, the annual meeting of Western Golf Association was held at which the by-laws were amended to facilitate operation of the expansion program and the directors re-elected.

N & S Amateur, Pinehurst, in April; Pro Event in Fall

★ The oldest golf tournament in America which has been held annually without interruption is the North and South Amateur championship. The first North and South amateur was played in 1901, and the 44th renewal of this event will be played during the week of April 9th, this year.

While the North and South open will not be held this spring, Pinehurst officials do not intend for the event to lose its record of having been held each year since it was first played in 1903. Instead of being played this spring, the 1945 North and South will be held in the fall. It will be the 42nd annual North and South open. The change in date was made by Richard S. Tufts, president of Pinehurst, Inc., because better accommodations may be obtained for professionals at that time than during the spring season.

The Womens' North and South will be played during the week of April 16th; it will be the 42nd annual North and South womens' championship.

Pinehurst was founded by James Tufts in 1895 and will celebrate a Golden anniversary in 1945. If the wars have ended, Pinehurst officials plan some real jubilee tournaments in 1945.

Washington GA Elects

Hanson, president, who succeeds Deane Carpenter of Everett; Dr. Arnold Peterson, Spokane, vice president; Ora Watkins, Tacoma, secretary, and William Hyde, Olympia and Tom Weir, Ranier, new directors.

Club Honors Ogg.—Willie Ogg, veteran pro of Worcester (Mass.) CC was tendered a farewell dinner as he departed from the organization he'd served for many years, to take another pro engagement. An engraved watch and a substantial check were presented to Ogg by speakers at the affair. In addition to the testimonial check from the Country club Ogg also received a check from the neighboring Tatnuck CC in appreciation of his services to all golf in the community.
