★ When one golfs with the Rajah of Puri, one does not walk the lowly sod. No, the Rajah's elephants provide cab service from tee to green. What the Rajah may lack in golfing ability, and the G.I.s say he can hit 'em, is more than made up by his thoughtfulness and hospitality as a host to servicemen. The photo shows American G.I.s golfing with the Rajah on his private course at Orissa, India.

Not a Mysterious
Chemical Sign

FW21^{CC}

but the Symbol for

**BERK'S
BIG**

Turf Fungicides
for Better Greens

Berk's big four are widely used by Greenkeepers to control large Brown Patch, Dollar Spot, Snowmold and other turf fungus diseases effecting fine grasses in greens and lawns. They may be used with a wide margin of safety. Order any quantity and be sure of constant never-changing quality.
