

the make-up Tom went into the Red Cross ambulance for a treatment.

DISTRICT GRANTS TO HELP GREEN SECTION RESEARCH

Policy of the USGA Green Section to decentralize but coordinate turf research is receiving impetus from contributions made by district organizations.

At a recent joint meeting of the Indiana GA and the Indianapolis District GA it was voted to contribute to the Green Section for an indefinite period \$500 a year for turf research in Indiana. This fund will be supple-

mented with funds from the Midwest Turf Research Foundation and the USGA to establish a Research Fellowship at Purdue University, West Lafayette, Ind.

The Detroit District GA voted \$750 a year for an indefinite period to the Green Section for turf research in Michigan. It is planned also to supplement this money with funds from the Midwest Research Turf Foundation and the USGA for a Research Fellowship at the Michigan State College, East Lansing, Mich.

These two fellowships will be established as soon as practicable.

Approximately \$6,500 will be made available in the near future to the USGA by the Tulsa Golfers' Fund for War Wounded, to be devoted to turf research in Oklahoma.

Through efforts of the District of Columbia GA the Kenwood G&CC has donated \$25 for turf research.

At the first annual Southeastern Turf Conference held at Tifton, Ga., a telegram was received from T. R. Garlington and Robert T. Jones, Jr., advising that the Atlanta Athletic Club had approved the expenditure of \$1,000 a year for an indefinite period, to support the regional program of Turf Research now in progress at Tifton. This brings the annual total of contributed funds to \$2,060.

THE PERFECT SOLUTION TO A TROUBLESOME GREENS PROBLEM

The "GREENS DOCTOR"

PISTON TYPE TURF PLUGGER

To remove ball bruises, ant hills, worm casts and weeds from greens, simply push "Greens Doctor" into damaged spot. It removes a neat plug of turf 2" deep, 1 3/4" diam. Push handle and piston ejects plug. Then lift plug of good turf from edge of green, insert in hole, and presto—green is good as new! Order today!
