### SAVE MOWING TIME and LABOR with a PEERLESS SHARPENER

Keeping fairways and greens neat and trim is a difficult job that can be made easier when mowing equipment is kept smooth-running and sharp. A Peerless Sharpener in your workshop helps simplify the task of keeping your course in top playing condition and saves mowing time and labor as well.

The Peerless, a product of one of the oldest grinder manufacturers in the United States, has been the popular choice since 1909. Precision-built by experienced machinery manufacturers, the Peerless is a lawn mower grinder using a fast cutting grinding wheel . . . puts a keen cutting edge on any type of mowing equipment . . . pays for itself by reducing course maintenance costs to a minimum.

Complete information is available without obligation . . . write today.

Works with  
Any Mower
