"FINEST TURF in Club's History... THANKS TO AGRICO!"

GROVER HALL, Greenkeeper,
Williamsport Country Club, Williamsport, Pa.

"THE turf on our fairways was destroyed by Japanese beetles and we were faced with the problem of reseeding all 18 fairways," writes Grover Hall, greenkeeper at Williamsport Country Club, Williamsport, Pa. "We reseeded the entire course using 20 tons of AGRICO COUNTRY CLUB Fertilizer along with the grass seed. Results were very gratifying. Since that time we have used Agrico annually on the greens and fairways. Our turf is now in the finest condition since the Country Club was established. Several golfers who have played all the eastern part of the country have stated we have the best course they have played."
