Fred Bowman, pres., Wilson Sporting Goods Co. (L.) looks over Ed Rankin (Walter Hagen div. gen. mgr.), Old Master Sarazen and Sam (Ft. Knox) Snead, prior to T-hour at the Masters. Sam looks like he is in a serious mood and wants that Masters' first money. He got it.

### INSECTICIDER — NEW INSECT KILLER

Among golf clubs and other clubs where summertime's flying insects are a continuing nuisance because of the constant flow of traffic in and out of clubhouses a new machine known as the "Insecticider" should bring welcome relief. The insect

killing machine, said to kill all flying insects, is the latest development of Columbia Chemical Co., 154 E. Erie St., Chicago, manufacturers of Glyco-Master air purifying equipment. Light in weight, it has the appearance of an attractive bowl shaped wall lamp. Its lower section is

equipped with a thermostatically controlled electric heating unit which vaporizes Lindane powdered crystals placed in the upper section. One ounce of Lindane crystals, a safe and effective insecticide, will last 28 days and treat 15,000 cu. ft. per hour. The unit has an automatic

The Complete Liquid Plant Food for Golf Greens

*"Ask the man who uses it!"*

"I have been using your Liqua-Vita on my greens during June, July and August for the past 4 years and wish to express my complete satisfaction with results obtained. No burning—even distribution—good color. Applied with the fungicide, it practically pays for itself in labor saved. I wouldn't be without Liqua-Vita for summer feeding."
