Grass retarded with MH-40*!

UNTREATED GRASS TREATED WITH MH-40

Mowing costs cut drastically!

Now, with MH-40, you can actually slow the growth of your roughs without harming their quality or appearance. You can reduce mowings to as few as twice a season. Think what a saving that means in labor and equipment costs! *U.S. Pat. No. 2,614,916

Order MH-40 or formulations containing MH from your local supplier today and cut your mowing costs.

Naugatuck Chemical

Division of United States Rubber Company
ELM STREET, NAUGATUCK, CONNECTICUT

producers of seed protectants, fungicides, miti-
cides, insecticides, growth retardants, herbicides:
Spergon, Phygon, Aramite, Synklor, MH, Alanap.
