A joint meeting with Midwest Assn. of Golf Course Supts. is to be held at McHenry (Ill.) CC, Sept. 12.

Wisconsin PGA In Record Spring Meeting

Wisconsin PGA's spring meeting was best attended since the organization was formed 30 years ago.

Feature of the educational session was the talk of Les Bolstad, University of Minnesota golf coach, on fitting the swing to the individual. Tim O'Brien of Walter Hagen Golf gave a round-up of the high points of the instruction and business sessions at the national PGA annual meeting.

The new sound slide film of the PGA Educational committee was shown and received the same enthusiastic commendation it got at other sectional PGA meetings.

Supt. and Members Share In Turfgrass Tests

By TAYLOR BOYD

Supt., Camargo Country Club, Indian Hills, O.

(Members of the Camargo CC in the Cincinnati district have been given an opportunity to see how their superintendent and Green committee keep constantly on the watch for grasses to improve the already excellent turf at this fine club.)

An experimental green was constructed where members could observe how the new grasses being tested reacted to Cincinnati conditions. The members were impressed by the practical research of those responsible for their course maintenance. Taylor Boyd reported the following summary of the Camargo test green showings at this year's Midwest Regional Turf Conference.—EDITOR)

THE experimental green at the Camargo CC was installed for the purpose of determining first: whether Bermudas and zoysias had a place in Cincinnati as putting green grasses, and second: to learn whether bent cut at putting green height was compatible with Bermudas and zoysias growing next to one another and adjacent to the bent.

This green is 4000 sq. ft. with half in
