

"Chuck" Maddox (R), contractor who built the new Sullivan course is presented with first ball hit in opening day ceremonies by club president F. W. "Bo" Wood.

bers had the same rights and privileges.

By June, 1953, we had purchased the new land—secured plans for our course and built and furnished our new club house entirely debt free.

The fall we started a new drive for

funds to build our new course and entered into a construction contract with Chuck Maddox of Rankin, Ill. In this respect we were extremely fortunate for Chuck has made a specialty of building golf courses. Except for minor changes, the architect's plans were followed to the letter, and as a result, we have a well designed course built with exceptional care.

The course was built in the summer and fall of 1954. We were so pleased with Chuck's work that the club held a special dinner in his honor. He is our number one life member, and was given the honor of hitting the first ball at the opening day ceremony.

Our program is completed. The social members are more than pleased with the year-around activities offered. The golfing members are extremely proud of a course which potentially can be one of the finest nine-hole courses in the country. The average cost per member was approximately \$500, a comparatively small investment, in view of the prospect we have for a lifetime of fun, playing golf.

### CLUBHOUSE FOR CADDIES AT TAM O'SHANTER

This \$22,500 building at Tam O'Shanter CC (Chicago dist.) is a modern version of the old caddy shelter. It's virtually a clubhouse for the boys. It has a dining area, commissary, television, radio, basketball court, bicycle racks and telephones.

Caddie awards for work during the season are distributed at the annual party put on by George S. and Alice May. The Mays have matched the Tam members' contributions to the Chick Evans Caddy Scholarship Fund of the Western Golf Assn., with \$29,085, making a total from the club of \$58,170. Eleven of the Tam caddies have won Evans scholarships. May's interest in caddies is further exhibited by a fee of \$1000 to the lad who caddies for the winner in the Tam World's championship tournament.
