### Sullivan Elected Head of Golf Writers Group

Des Sullivan of the Newark Evening News, one of the few golfing authors to qualify for the National Amateur tournament, has been elected pres. of the Golf Writers Association of America.

Joining him at the top of the slate named during the annual Masters tournament were John Walter, 1st vp from the Detroit News; Bob Drum Sr., of the Pittsburgh Press, 2nd vp; Charles Bartlett, Chicago Tribune, secy-treas. Bartlett was reelected to the office he has held since the association was founded in 1946.

### Mallinckrodt Stockholders Elect Three New Directors

At their annual meeting, stockholders of Mallinckrodt Chemical Works, St. Louis elected three new members to the board of directors. They are Dr. Shields Warren of Boston, and William D. Barry and Harold Thayer, vp of the company.

Stockholders also re-elected the present

Division of Carmichael Machine Co.  
Dept. G, Springfield, Ohio

board of directors with the exception of John M. Meyer, Jr., who having assumed additional duties as senior vp of J. P. Morgan & Co., Inc., resigned in January.

Dr. Warren, a graduate of Boston University and Harvard Medical School has been for many years Professor of Pathology at Harvard and Pathologist at New England Deaconess Hospital, Boston. From 1947 to 1952 he was director of the Division of Biology and Medicine of the Atomic Energy Commission. From 1952 to date he has served as vice-chairman of the Advisory Committee on Biology and Medicine of the AEC.

Barry has been with Mallinckrodt since 1908 and has been in charge of the operation of the company's eastern division for many years. He was elected vp in 1945.

As head of Mallinckrodt's Atomic Energy Commission program, Thayer directs the uranium processing operation which will include new Weldon Spring Plant. Thayer is a graduate of Massachusetts Institute of Technology and joined Mallinckrodt in 1939. He has been a vp of the company since 1950.
