

## RIVERLAKE'S NEW CLUBHOUSE WOULD COVER ANY STATE BUT TEXAS

Riverlake CC, newest in Dallas, has a clubhouse that shows it's true what they say about Texas. The dining room will accommodate more than 2000, there will be more than 1,600 lockers for men, three bars, a nursery, a teen-age room and 18 bunks in a "quiet room" club publicly emphatically declares is unique by the double-barrelled term "new innovation" which is almost as redundant as saying "a rich Texas oil man."

J. H. Williams & Co. designed the clubhouse. J. Press Maxwell designed the 45 holes of golf; an 18-hole championship course, 18 holes, interesting but less severe, and a 9-hole par 3 course that's night-lighted. Harry Todd is pro. at the big new club. Cary Middlecoff has signed as Riverlake's journeyman pro.

## GOLFERS LIKE THE NEW

You'll like it too because:

- made of cast aluminum, vinyl-coated, inside and out.
- rugged, built to last, easy to take apart and clean.
- completely closed when not in use.
- rubber-backed nylon bristle brush is encased in vinyl-coated steel.
- overflow pipe prevents damage from freezing.

**MODEST COST—LONG LIFE!**

**PROGRESS FOUNDRIES, INC.**

*Aluminum—Brass—Bronze Castings*

1457 Marshall Ave., St. Paul 4, Minn.
