## Can You Top This?

Sponsors of the Carolinas Junior Golf tournament claim their annual event has the largest number of entries of any sectional tournament in the country. In 1955, a total of 304 young golfers, 18 and under, took part in the meet which was divided into 22 flights. This year's tournament was expected to attract 350 or more entrants.

GOLFDOM is interested in learning whether any sectional Junior tournaments have larger entry lists than the Carolinas events. Please send information to GOLFDOM, 407 S. Dearborn st., Chicago 5, Ill.
