"ORGANITE" EXCLUSIVE**

A settlement of the trademark litigation between the Sewerage Commission of the City of Milwaukee, manufacturers of "Milorganite," and Summers Fertilizer Co., et al., distributors of "Pittorganite" has been resolved in favor of the City of Milwaukee in the United States District Court for the Western District of Pennsylvania.

As a result of a decree entered in the above court, defendants have been perpetually enjoined from selling or marketing a fertilizer product under the name "Pittorganite" or "Kapoganic - formerly called Pittorganite" on the grounds that the name "Pittorganite" is an infringement on the tradename "Milorganite." As part of the judgment the Summers Fertilizer Co. agreed to substantial damages.

economy, too.

Known throughout golf management as the one matting that stands up longest under the toughest of spike shoe traffic — and looks good doing it. It's because the toughest materials available put the "big plus" in Melflex durability.

Safest, too! Heavy duty compounded rubber construction provides non-slip, non-sag surface for maximum safety. Easy to clean. Stay clean longer. No buckle or creep.

Melflex Extra-Duty Driving Mats play best, have surest footing and last longest of all tee mats, say range owners. Melflex Tubular Rubber Tees are tops in durability — \$16 per 100. Be your own judge — with a trial order.
