No Negligence in Car Suit

car to a player who would drink three beers while playing nine holes; he should have provided paths on which the car could be driven; he should have given Simpson special instructions on how to drive the car; special instructions should have been posted in the car describing its operation. These arguments are scarcely deserving of our attention. Simpson was an experienced golfer who had used Corbett's cars on previous occasions; three beers did not affect his ability to drive the car safely; cars are intended for use on the fairways, not on paths. The golf car, a tricycle-like affair, is steady and stable with only an accelerator and a brake and it appears that any reasonably intelligent person can learn to operate it within a few minutes.

The court of appeal affirmed the judgment of the trial court thus denying the plaintiff any relief. (*Gillespie V. Chevy Chase Golf Club*, 9 Cal. Repr. 437.)

Western Golf Awards 126 New Evans Scholarships

A total of 126 new Chick Evans college scholarships, valued in excess of \$250,000, have been awarded by Western Golf Assn. The scholarship winners are from 83 clubs in 13 states. They join 317 returning upperclassmen to form a record number of 443 boys enrolled in college this fall through the Evans Scholars Foundation program sponsored by WGA.

This is the program which Chick Evans, veteran amateur golf star, initiated in 1930. Since that time 1,232 scholarships have been awarded. Each scholarship, covering full tuition and room rent, is renewable for four years and is valued in excess of \$2,000.

The operation of the nationwide Evans Scholars program is financed for the most part by the contributions of individual golfers — more than 36,000 this year.

Of the 126 new awards, 50 went to boys from Chicago-area clubs. There were 32 scholars selected in Mich., 15 in Wis., 11 in Minn., five in Ohio, three in Mo.; two each in Pa., Kan. and Colo., and one each in Ind., W. Va., Ore. and Wash. The majority of the new scholars live in Evans chapter houses permanently maintained at seven colleges.
