### CADDY-ROLL RENTAL SERVICE

Three Rivers, Michigan

own way but often produces revenue far in excess of its operating and maintenance costs. A nationally recognized standard for tax supported golf courses is one 18-hole course for the first 20,000 population, plus one 18-hole course for each 30,000 additional.

#### Too Much, Too Soon

One of life's little ironies victimized Marilyn Smith just prior to the Dallas Civitan Open recently when she made her first hole-in-one after 21 years of golf. It occurred on the 185-yard third hole (she used a 4-iron) and came in the pro-am which preceded the tournament. Marilyn was elated but she pointed out, "If this ace had been shot during the actual tournament, I would have won \$10,000. Such is life."

#### Scott Program Reclaims Evansville, Ind., Course

A pamphlet, recently released by O. M. Scott & Sons, Marysville, O., tells of the troubles encountered in 1961 at the John F. Fendrich GC Evansville, Ind., because of Ohio valley humidity which led to fungus disease, insects and finally the string incursion of weeds. The course had to be brought into shape for a big fall tournament, and so a Scott program in which Turf Builder, Halt and Scutl were applied, was resorted to. These products were used as suggested in the reclamation schedule and by Sept., the course was not only ready for the invasion of the tournament players, but possibly was in the best shape in its history.

#### Club and Range Finder

Cad-o-Matic, made by Cad-o-Matic, PO Box 2258, Santa Ana, Calif., is an unusual new club and range finder used to show yardage and specify the correct iron to use. The instrument is sighted on the pin and a sliding device is lowered or raised to determine the yardage and proper iron for the distance. Packaged in an attractive plaid wallet, it makes an excellent gift.
