

Six skylights help illuminate interior of car storage building at Middletown club. Building has a concrete floor and eight-foot wide overhead door.

Pre-engineered additions permit quick, inexpensive expansion in keeping with the building's original lines. Six reinforced plastic sky-lights provide illumination in the storage building. Supports are positioned in walls, allowing complete freedom of movement on the asphalt floor. An 8-ft wide overhead door permits easy maneuvering of cars in and out of the building.

## Date Conflicts Straightened Out; World Series to Go On

The second World Series of Golf will be played at Firestone CC in Akron, O., Sept. 7-8. The winners of the U. S. and British Open and PGA Championship will compete against Jack Nicklaus, Masters winner, for the \$50,000 first prize. The runnerup will receive \$15,000 and the third and fourth place finishers, \$5,000 each.

An additional \$20,000 will be contributed to the prize purse of the Utah Open, which will be completed the same weekend as the World Series is played. The dates of last year's World Series conflicted with those of the Denver Open and a great stir was created. So, the contribution to the Utah Open can be construed as something of a peace offering. The Series now has official PGA status. Ten per cent of the Akron prize will be paid to the professional association by sponsors of the World Series.

Garage accommodates 36 cars and can be expanded, if necessary. It cost less than \$5,000 to erect this structure.

More than 200 stations will carry 90-minute colorcasts of the Series on both the 7th and 8th. To insure that four players will take part in the Series, the sponsors have set up a system whereby alternates will compete in case there is a multiple winner in the qualifying championships.

## Jaycee Golf Tourney to be Held in Texas

The 18th International Jaycee Junior golf tourney will be played Aug. 18-23 at Midland and Ranchland Hill GCs, Midland, Tex. For the first time there will be special qualifying events at the local, state and national levels for novice as well as championship flight players.
