## Wilson Executive Bag Line

Wilson Sporting Goods Co's 1964 line of bags are designed to fit every level of taste and budget. The Executive Sets are said to represent the ultimate in materials, design and craftsmanship. They feature an extra large keystone style stepdown top ring, full length grommeted club dividers and specially molded plastic compound bottom. Carry-alls and shag bags, of the same luxurious leather, complement the golf bags.

## Photogrammetry Buys Graph-Check

Graph-Check, Inc., which developed the sequence camera, widely used by pros in teaching, has been purchased by Photogrammetry, Inc., 12230 Wilkins ave., Rockville, Md., according to Gomer T. McNeil, president. Photogrammetry, which has specialized in photo instrumentation since 1953, designed the Graph-Check camera and has been a prime contractor in its manufacture. The camera is distributed by the Arnold Palmer Co.

## Does Thorough Cleaning Job

Parker Sweeper Co., Springfield, O., now markets a vac (PV633ORH Vac 35) with a new hose attachment that is said to solve every cleaning chore. It has a quick-disconnect intake

housing for easy installation of a flexible hose. The hose can be used to clean around flower beds and shrubs, inside window wells and in similar areas that are hard to reach. The new machine has the same design, construction features, etc. as other VAC-35 models.

## Spalding's Profits Up

For the year ending Oct. 31, A. G. Spalding & Bros., Inc., had net earnings of \$2.17 a share for 970,000 shares as compared to 73 cents in 1962. Consolidated net earnings for 1963 were \$2,104,684 against \$713,378 a year ago. Part of the increase in earnings was reflected by a gain on the sale of Spalding's British properties and a gain on the divestiture of the Rawlings div. and related subsidiaries.
