Over the past nine years, dining room and bar gross profits have remained approximately the same . . . Dining room sales have fluctuated although bar sales have increased, particularly in the North area where they have jumped \$17,992 in the past five years . . . Course maintenance expenses have soared . . . The average cost of the four areas has increased \$23,860 since 1955 with the greatest increase in the South area which reports that \$31,805 more was spent in 1964 than in 1955.

Greenmaster Salaries Up

Supts.' salaries have increased also, reflecting the additional responsibilities and training needed to meet golfers' current turf demands . . . Pro retainer salaries, on the other hand, have remained about the same or declined slightly . . . Salaries paid to club managers have increased somewhat except in the South area where there has been a significant decline among the reporting clubs.

Swimming pools seem to be becoming an increasingly expensive item for CDGA country clubs . . . Designed to provide complete family facilities, pools are usually operated at a loss . . . According to the survey, this loss has increased from an average in 1955 of \$2580 to more than \$3000 in 1964.
