

NOTICE

On several recent occasions, we have seen and have been shown catalogs and flyers, other than our own, which contain pictures obviously taken from our catalog. In one instance our name was not even removed from the picture used by one of our competitors.

We want it clearly understood that we did not, nor will we give our permission for any of these uses. Any such uses are wholly improper insofar as we are concerned.

Because of these activities, inquiries have been received from customers as to whether we have any financial interests in any of these other firms who have used our material. Again, it should be made definitely known that we have no such interests; we have not and will not participate in any of these so-called "discount houses" as this is completely against our principles and policies.

(Signed)

CLEM WITTEK, President
Wittek Golf Range Supply Co.

Three North Oaks members don working clothes to get trees planted.

trees and a map of the approximate location of the stakes.

The planters left for their sites at 8 a.m. With the help of 60 caddies, who were paid for their efforts by the participating members, the planting was completed by 9:30. The "Tree Planting Open" was half over. The golf tournament itself began with a 10:00 "shotgun start."

By 2 p.m., all members had finished their rounds. A lunch was held and prizes were awarded. The board and members alike agreed that the tournament had been fun as well as constructive.

Now, almost two years later, 840 of the original 1200 planted trees continue to grow. The new board of directors recently met and decided that something should be done about improving the condition of the sandtraps on the course.

So that means they'll be playing a "Sandtrap Open" at North Oaks one of these days.

Rutgers Field Days

The 1964 Turfgrass Field Days at Rutgers University, New Brunswick, N.J., are scheduled for August 12-13. The first days tours, at 10:30 and 1:30, will cover lawn and utility turf. Tours on the second day at the same times will cover golf and fine turf.
