

WINTER INJURY and SNOW MOLD

...have one thing in common

THEY ARE MORE SEVERE IN
AREAS OF POOR DRAINAGE

AQUA-GRO

... moves excess water out,
prevents overly wet areas
that encourage snow mold
and winter injury

be released to newspapers and radio and T.V. stations as soon as decisions are made.

What Is Gained

Golf clubs across the country have proved time and again that celebrations are well worth the necessary time and money investments. Effectively sponsored celebrations can:

1. Improve relations with members.
2. Help build community goodwill.
3. Increase use of both course and pro shop.
4. Give you a good indication of where a club stands with regard to members, the local community, and civic leaders.
