Sportsman's to Continue Golf Ball Production in Bay City

Sportsman's Golf Corp., 2020 Indian Boundary drive, Melrose Park, Ill., will continue to manufacture golf balls at its plant in Bay City, Mich. Some readers got the impression that Sportsman's planned to move the operation from Bay City after reading an item on page 119 of January Golfdom, but this is not the case. The plant in Bay City is newly acquired. The company manufactures clubs and bags in Melrose Park. It is building a plant, scheduled to be partly opened in April, in Pontotoc, Miss., where additional production of clubs and bags will be carried on.

Wilson Wedges Said to Give Ultimate in Control

Wedges, produced by Wilson Sporting Goods Co., 2233 West st., River Grove, Ill. 60171, are said to offer the ultimate in response and

control. They have unique shaft-to-sole construction that, the manufacturer says, give a fluid feel that converts swing power into striking power. Prime calfskin grips and 5-Star composition grips are available with the clubs. Two of the models shown are available for lefthanders, with leather grips only.

B. Hayman Co. to Distribute New Turf Utility Vehicle

B. Hayman Co., Inc., 3301 Leonis Blvd., Los Angeles 54, Calif., is sole distributor of a gasoline four-wheeled car designed for turf transportation. The vehicle — The Superintendent — has a large-size utility body designed for the rear mount (where it is claimed a five gang mower may be hooked to the ball-type hitch) and the wheels have individual coil spring suspension. The unit has automatic transmission with four speeds (up to 70 mph), plus passing gear and reverse. It has a Corvair 4-cylinder, rear-engine drive.
