OLD MASTER Continued from page 46

greenkeeper at the Evanston (Ill.) GC when he and Roseman met and formed a friendship that had much to do with speeding progress in Chicago area golf course maintenance.

The number of units to a gang-mower, while theoretically limitless, naturally depends on the power of the tractor. One of the Roseman customers, who has nurseries throughout the country, is currently using a 13-gang mower in Goshen, New York.

The half-century, in fact, has seen progress not only along the fairways and through the rough, but in numerous non-golfing settings, including grass airfields and industrial acreage. It is a progress which, fifty years ago, could only have been initiated by a man who had the welfare of all golfers uppermost in his mind. •

SEVENTY YEARS AGO

James Foulis established Open record for gutta percha ball with 78-74-152 over 4,423-yard Shinnecock Hills course.
