CATCHING ON FAST!

2-Man MiniCar

...a new way to have
all the cars you need

Few clubs have enough golf cars. Members need an advance appointment or they wait. Since the MiniCar was introduced, members all over the U.S.A. have demanded the right to use privately-owned cars. Most of those would prefer to rent a car, but the cost and the storage space required have added to the problem. Now the MiniCar offers you increased pro shop revenue, and with mini space requirement. The MiniCar folds up, costs less, and takes less maintenance. Keep your luxury cars, but GET YOURSELF A FLEET OF MiniCars NOW! Write for free brochure with complete specifications and name of your nearest dealer. Pro shops can add profits by becoming a MiniCar dealer. Ask about it. Distributor inquiries invited.
