

ATLANTA:

Manage Your Time

The most exciting city in the South offers a diversified variety of activities for all age groups. Plan your time carefully between the Civil War past and the 21st century future

Atlanta, "first city of the South," offers a wide variety of activities and scenic sights for the family during the Club Managers Assn. of America Annual Conference February 14-19. The average precipitation for February is 4.5 inches. The temperature normally reaches a high of 54 degrees and a low of 38 degrees in February. Dress for women ranges from tailored pants suits and dresses in the downtown area to tailored and cocktail evening wear. The winter months are cold enough for heavy woolens and a warm coat. A coat and tie for the men is a must in most of Atlanta's lounges and restaurants.
