

MONTEX GOLF CAR

One of the best fleet golf cars on the market today is now available to golf car dealers and golf course owners throughout the country.

Starting from zero in 1971, in Florida, we almost matched our competition the first year and out-sold all the golf car companies in our territory by better than 2 to 1 in 1972 (list of sales available by written request).

Montex Golf Car production has increased enough so now you can have this golf car on your golf course. Join the winner. Call (305-395-4414) or write for further information.

CORRECTIONS

Our apologies to James R. Hansberger. In reporting his promotion to vice president of marketing of Ram Golf Corp. (June issue, p. 60, we mistakenly ran a picture of his brother, Allen. The correct picture is below.

Hansberger

In the June issue (People in the News, p. 63), it was reported erroneously that Jack Savage had been named national sales manager of the Retail Division of the Professional Golf Company. Savage is national sales manager, but of both the professional and retail divisions.
