WILLIAMS from page 47

that merchandising is your bread and butter.

There are literally hundreds of other things you need to think about and plan for: the practice range operation, the special golfing events, your working relationship with the men's and women's golf groups, the junior program, the club manager, the parks and recreation board, the golf course superintendent, the special sales, your PGA Section activities, your books, cash flow, and on and on.

Planning for 1975. The best time to get ready for 1975 is during 1974. Think always about what lies in front of you. You don't have to take my word for it. Countless books indicate that failure in business is directly related to being "too involved with today and not involved enough with tomorrow."

Write down all the bad experiences you encounter in your shop in 1974, noting while you do, possible ways to eliminate the same problems from cropping up in 1975. In a few weeks or months, your little book may read something like this:

- 1) Ladies golf shoes—white and pink saddles not selling—do something;
- 2) Junior golf classes did not seem to understand putting lessons today;
- 3) Short-handed in golf shop on July 4—what went wrong?
- 4) Nine pairs of size 9A shoes in inventory—you've got to be kidding;
- 5) Ms. Brown's golf car konked out on course today. Car No. 7.
- 6) Mr. Harvey complained about his clubs not being cleaned;

With all these facts in front of you, you can say with determination "that won't happen next year." Look at any successful businessman in any profession and you always will notice an in-depth understanding and application of the basics of his business. That is the heart of business, but everything becomes once again very complex and tedious if you don't . . .

Implement your plans. A wise old philosopher once said, "A plan planned, but not implemented results in the planner being called 'dummy.'" Another said, "Implementation of the plans which have been tediously prepared removes one from the possibility of being referred to as 'dummy.'"

Plan, implement, re-plan, alter, change, implement again. And be successful. Be the only guy on the block who isn't called a "dummy." □
