A PROPOSITION FOR GOLF COURSE ARCHITECTS

We'd like to prove what we consider a fact: That a Royer "362" Shredder-Mixer is the most productive, most efficient equipment available for preparing top-quality, on-site soil mixes. Here's our proposal. We'll demonstrate a Royer by either (1) bringing a Royer to you, or (2) taking you to a Royer. Either way, there's no obligation. Phone Charlie Otto at 717-287-9624. He'll make the arrangements. Royer Foundry & Machine Co., 172 Pringle St., Kingston, Pa. 18704.

Think of all the summer days
and special moments you've
got to look forward to.

They're all out there, just
waiting to happen.

So are accidents.

The choice is yours.

If you don't like thinking
about safety, think where
you'd be without it.
