ZAP®

GARDNER

**ELECTRIC INSECT KILLERS*
KILL THEM SAFELY AND
AUTOMATICALLY for
PENNIES per DAY!**

The 24-hour, positive, non-chemical, automatic answer. No poisons. No residual chemicals. No sprays. No odor. Clean and safe... in tune with modern pollution ideas. Insects never become immune to electricity. Effective and economical. Safe to employees. Runs on standard 120V.

Nighttime recreation areas need lights... lights generally attract flying insects... the black light of the Gardner Insect Killer is a greater attraction... to their instant death. Simple to install.
