**A PROPOSITION FOR
GOLF COURSE ARCHITECTS**

We'd like to prove what we consider a fact: That a Royer "362" Shredder-Mixer is the most productive, most efficient equipment available for preparing top-quality, on-site soil mixes. Here's our proposal. We'll demonstrate a Royer by either (1) bringing a Royer to you, or (2) taking you to a Royer. Either way, there's no obligation. Phone Charlie Otto at 717-287-9624. He'll make the arrangements. **Royer Foundry & Machine Co., 172 Pringle St., Kingston, Pa. 18704.**
