## FEATURES

<b>Can your course live without water?</b> Late December and early January rain helped California courses regain some moisture, but conserving water while maintaining good turf condition is a problem no longer confined to the West. Assistant Editor Scott Scredon examines the situation and reports on future irrigation methods, particularly use of effluent water. ....	12
<b>A new 9 holes on 19 acres</b> A well-known golf course architect shows how 9-hole facilities can increase play by adding holes — even when space for expansion is severely limited. A case history .....	16
