

How to pile up extra profits -without investing a cent!

With Stewart Sandwiches! People all over the country are piling up big profits selling Stewart Sandwiches. Profits that supplement regular business income, and even add to it through customer convenience and traffic building. And Stewart's complete program makes it the easiest, safest money you've ever earned.

There's no investment, no risk, no special equipment or training. You pay only for the sandwiches you sell, and Stewart lends you their special oven, free of charge. Stewart also manages your inventory and delivers to you on a regular basis.

Hefty, hearty, piping hot Stewart Sandwiches and pizza are great impulse items. There's a wide variety of sandwiches for every taste. And Stewart helps you sell with attractive menus and point-of-purchase displays.

To pile up some extra profits, fast, rush the coupon for details.

Information service

For free information on any of the products and services listed below, simply fill in and mail the postage-paid reader service card bound into the front of this magazine.

With a **Ditch Witch** vibratory plow, you can install a complete underground system without digging a trench — without closing part of the course.

Circle 102 on card

Upgrade your golf course operation with the help of a complete, professional advisory service. The **Golf Course Operations Service** can aid your food and beverage service, golf car rental, league and outing business, etc.

Circle 111 on card

You can join the more than 600 other golf courses already enlisted in the **Golf Card** membership program. Card holders can play any of the courses without further fees. It's a chance for you to increase play on your course.

Circle 101 on card

Golf course construction throughout the United States and Central America is offered by **Iberia Earthmoving Service, Inc.**

Circle 107 on card

Derby turf-type perennial ryegrass received the highest evaluation score for the second year in a row at the Mississippi State Trials. It's a product of **International Seeds, Inc.**

Circle 106 on card

Southern superintendents sing the praises of Dixie Green, an overseeding mixture of Highlight Chewings-type red fescue and Derby perennial ryegrass.

International Seeds, Inc. sells it. **Circle 105 on card**

Greens King II by **Jacobsen** has evolved into an improved riding greens mower. It offers independent reel selection plus increased operator comfort and ease of operation.

Circle 109 on card

Manhattan perennial ryegrass establishes quickly, develops little

thatch, resists brown patch, requires less water, maintains vegetative tillers, has a dark green color, crowds out weeds, and offers long-term performance.

Circle 122 on card

Melex golf cars come in 3- and 4-wheel models, both constructed on a tough tubular steel frame. Additional descriptive information is available on the electric cars. Ask for booklets or have salesman call.

Circle 108 on card
