FEATURES

Nationwide survey of golf course workers' wages

Original research by GOLF BUSINESS shows wages paid workers in several job functions, plus fringe benefits they receive, how many work year-round, etc. **13**

The inside story on metal buildings for golf course

If you need a substantial new building quickly, metal building systems may provide the answer — for the maintenance facility, the clubhouse, or golf car storage **15**

Turfgrass management in shaded areas

Virginia turf specialist John Hall, III, addresses this perennial problem for golf course superintendents. He discusses selection of shade-tolerant grasses and how to care for them **20**

Computerization updates municipal courses' irrigation

Solid-state controllers have programmed more versatility into the irrigation systems at the two municipal golf courses operated by the city of Everett, Wash. **23**
