

◀ Post-hole digger

Snake River Tool Co. offers the Holey-Moley, a labor-saving post-hole digger.

Simply attach the Holey-Moley to a water source, allow the water to moisten the ground for a few seconds and let the tool go to work. Applying only slight pressure on the tool and a circular up-and-down motion is all that's needed.

It can dig a 4-foot deep hole in 40 seconds, the company says. The water loosens the dirt and the Holey-Moley follows the flow.

The Holey-Moley hooks up to an ordinary garden hose and works with as little as 15 psi.

For more information, contact 208-743-5355, www.holey-moley.com or

Bunker rakes

Smithco's bunker rakes are designed and built to give superintendents the best bunker playability under all conditions. The rakes are engineered for long life, maximum power, operator safety, environmental compatibility, cost-efficient operation and low maintenance, according to the company. The bunker rakes feature:

- Three-phase raking and finishing system for smooth, firm playability.
- Fiberglass body construction.
- Hydraulically operated, center-mounted cultivator to loosen and level hard and wet sand.
- Hydraulically operated, rear-mounted finishing rake to deliver smooth sand surface.
- Hydraulically operated or manual front-mounted plow to move sand into place.

Smithco also introduces two improved models of its Spray Star 1600 Turf Sprayer. Among the new features is the choice of 25-horsepower hydraulic drive or 20-horsepower mechanical drive, an even lower profile spray tank and wheeled spray booms.

Fungicide

The Rohm and Haas Co. offers a new formulation of Fore fungicide. Called Fore Rainshield, the new formulation improves Fore's ability to resist wash-off because of heavy rains or irrigation, according to the company. This improves the product's efficacy without the need of using a spray adjuvant.

In recent tests, Fore Rainshield demonstrated curative control of brown patch, gray leaf spot and Helminthosporium leaf spot, all at competitive costs per applications of other products, according to the company. Fore Rainshield also treats pythium blight, dollar spot, slime mold, snow mold, rust and algae.
