Golfdom's Joke of the Month

A grandfather and grandson were playing golf together. On a severely dog-legged par 4, the grandfather told the grandson, "When I was your age, I'd aim right over those trees and hit the green every time." The grandson thought about that comment and decided to give it a try. He hit a perfect drive, but it landed right in the middle of the 50-foot trees. The grandson looked sadly at the grandfather, who said, "Of course, when I was your age those trees were 8 feet tall."
