CIRCLE NO. 200

Calcium product

ROOTS offers Ca8%, a calcium product for turf. Designed and formulated as a supplement to all fertilizer programs, Ca8% helps plant growth and helps reduce soil compaction, according to the company.

For more information, contact 203-777-4753, www.rootsinc.com or CIRCLE NO. 201

Fungicide

Aventis Environmental Science's Chipco Professional Products Group offers Signature fungicide for summer decline management programs. Signature helps control pythium diseases associated with summer decline and also improves turf color, vigor and root development.

For more information, contact 800-438-5837, www.aventischipco.com or

CIRCLE NO. 203

Yardage discs

Golf Performance Services offers custom-designed yardage discs that function in extreme environmental conditions and maintain their original appearance, according to the company.

Made of bulletproof plastic that protects color-matched logos and large numerals, the yardage discs are fitted to any sprinkler system and attach with adhesive. By design, the yardage discs will speed up play, protect sprinklers from damage and display a course's logo in a professional manner.
