A guy hits his drive behind a barn and can't see the green.

His wife says, "I'll open the doors on both ends of the barn and you can hit the ball through to the green."

But when he tries, the guy hits his wife in the temple and kills her on the spot. About six months later he's playing golf with a friend and sure enough, he hits his ball behind the same barn.

His friend says, "I'll open the doors on both ends of the barn and you can hit the ball through to the green."

The guy says, "I don't think I can do this. I hate this hole."

"Why do you hate the hole?" asks his friend.

Bowing his head, the guy replies, "The last time I played this hole I got an 8!"
