MARCIE NAGY • 1-800-225-4569 ext. 2744

At a golf course, four men approached the sixteenth tee. The straight fairway ran along a road and bike path fenced off on the left. The first golfer teed off and hooked the ball in that direction. The ball went over the fence and bounced off the bike path onto the road, where it hit the tire of a moving bus and was knocked back onto the fairway. As they all stood in amazement, one man asked, "How on earth did you do that?!" Without hesitation he said, "You have to know the bus timetable."
