

## Stuttering Wasn't The End Of His World.

Explorer, wildlife conservationist and author Alan Rabinowitz has discovered new species and hidden worlds. That's because he didn't let stuttering become the end of his.

Alan knows that when the goal is worth achieving nothing is beyond reach.

Discover what you can do about stuttering. Write or call toll-free, and open up *your* world.

## The Nature Safe Difference

with Scott Curtis  
at Eagle Crest GC

"I reduced my thatch by 45-50% the first year I used Nature Safe, which resulted in more efficient fertility with tremendous density, improved water management and a dramatic reduction in disease pressure."

Find out why leading superintendents are making Nature Safe their Natural Choice for optimum soil and plant nutrition.
