A bum approaches a well-dressed gentleman on the street. "Hey, Buddy, can you spare two dollars?"
"You don't intend to spend it on liquor, do you?" asks the gentleman.
"No, sir, I don't drink," retorts the bum.
"You won't throw it away in some crap game, will you?" he asks.
"I don't gamble," answers the bum.
"You won't waste the money at a golf course for greens fees, will you?" asks the man.
"Never," says the bum, "I don't play golf." The man invites the bum to his home for a hot meal. The bum accepts eagerly. On the way, the bum's curiosity gets the better of him.
"Isn't your wife going to be angry when she sees a guy like me at your table?"
"Probably," says the man, "but it will be worth it. I want her to see what happens to a guy who doesn't drink, gamble or play golf."

No Drain, No Game!

WaterWick's patented gravel-vein injection system creates a permanent answer to chronic wet turf problems. So the game goes on without delay.

- Improves drainage and aeration
- Fundamentally non-invasive. Treated turf is immediately ready for play
- Proven in golf course, sports turf and landscape applications

Low-compaction WaterWick unit is ideal for golf greens and other fine turf. Or choose our innovative 3-point hitch system for your tractor — it injects WaterWick drainage, trenches, pulls pipe, lays wire and more.

DON'T LET WET TURF BOG YOU DOWN. CONTACT WATERWICK.
