

# Prevent damage from Canada geese.

A new visual bird repeller that uses uv light to scare geese.

Uniquely painted blades scare geese with uv light. Wind driven blades repel geese in ponds. Covers up to one acre area.

\$69<sup>each</sup>

## Get to the root of your salt problem!

### NaEx™

Reduces sodium and chloride levels 40 -60%!

NaEx™ contains ingredients that sequesters salts and renders them unavailable to plants. Improves turf color and vigor, while protecting the roots from salts.

### Just the Facts!

Results where it counts, in the plant tissue!

Certified plant tissue analysis of recent research results after just one application of NaEx.

	Control	Treated with NaEx
Sodium	0.20%	0.11%
Nitrogen	3.08%	4.22%
Phosphorus	0.31%	0.29%
Potassium	1.80%	1.70%
Calcium	0.75%	0.77%
Chlorides	16010ppm	8900ppm
Iron	92ppm	116ppm
