

PRIORITIZE PREVENTATIVE MAINTENANCE

When it comes to vehicle safety and dependability, too many motorists are putting off the simple preventative maintenance and repairs that can make the difference between being stranded along the side of the road or making it to their destination. Vehicle care, maintenance and repair are important steps in ensuring safety, improving dependability and avoiding costly repairs down the road.

To raise awareness about the benefits of performing regular vehicle maintenance, the Car Care Council has launched an education campaign called **“Be Car Care Aware.”** This on-going campaign teaches motorists how to make sensible decisions about their vehicles.

To find out more information on how you can **“Be Car Care Aware,”** visit www.carcare.org or call (240) 333-1088.

The Nature Safe Difference

with Scott Curtis
at Eagle Crest GC

“I reduced my thatch by 45-50% the first year I used Nature Safe, which resulted in more efficient fertility with tremendous density, improved water management and a dramatic reduction in disease pressure.”

Find out why leading superintendents are making Nature Safe their Natural Choice for optimum soil and plant nutrition.
